

25X1A

25X1A

Gene: —

21. (p. 5)

This was discussed at some great length with [REDACTED] Col Gray, and [REDACTED] had some good inputs into the system and would like to keep following program. He has started ordering some small items and requests that you keep him posted on developments.

HP

Arrange meeting w/  
Col Gary & [REDACTED]
